Eucharistic Adoration on Friday, June 17th has been moved to the evening

We will not be able to have our usual Eucharistic Adoration tomorrow morning from 9 am to 1 pm because there will be scaffolding erected in the sanctuary during that time. Instead, Fr. Michael will have one hour of Adoration after the 7 pm Mass on Friday evening from 7:30 pm to 8:30 pm. We apologize for having to make this last-minute change to our usual schedule but this was the only time available to complete this work. Thank you for your understanding.

Parish BBQ Update – Food tickets sold out

Thank you to all those that have purchased tickets for our end of year parish barbeque. While we are pleased with the overwhelming interest in our event, we regret to inform you that we have sold out of meal tickets.

However, if you still like to come and say farewell to Father Michael and greet our newly ordained Deacon Gordon Lee and our Jubilee celebrants, please do so. We will have additional drinks for sale for \$1.00, and there should be cake still available, but we will not be able to provide or sell any additional tickets for food items.

Also, for those who wish to give a card of congratulations to Gordon Lee on June 18, the day of his Ordination as a Deacon, or to Fr. Michael, Deacon John, Deacon Wayne or Fr. Leslie, we will have a **box for all the cards** on a table at the BBQ. The cards will be sorted afterwards and given to the appropriate recipients.

Hope to see you all on the 18th and don't forget to bring your lawn chairs.

Corpus Christi Procession – June 19th

Join our St. Mark's Corpus Christi Procession

Please save this date to celebrate this great Solemnity in honour of our Eucharistic Lord. The procession will start immediately following the conclusion of the 11 am Mass. This year's route will proceed around the block bordered by Glad Park Ave, Millard St., West Lawn Cres and Elm Rd. and conclude by returning inside the Church for Benediction. *We hope you can join us for this special Celebration!*

40 Hour Eucharistic Adoration – June 24th & 25th

For the Solemnity of the Sacred Heart of Jesus, we invite parishioners to come and spend some quiet time of worship and prayer with Our Lord during our 40 Hour Adoration beginning

Friday, June 24th at 6 am and ending on Saturday, June 25th at 10 pm.

We would ideally like to have as many people as possible come both at the start of Adoration for the first hour or part thereof, especially for the start of the Holy Hour from 6 – 7 am on June 24th, and again for the final hour from 9 – 10 pm on June 25th when we conclude and again especially for the last 30 or even 15 minutes with the closing Benediction. We hope our altar servers, choir and musicians will attend to welcome the Lord as we open and again when we say farewell as we close. Think of coming twice over the 40 hours, once for the opening or closing and if possible, one hour or part thereof in between. Do it now, seize the day, while we can and are not under lockdown. We would also like to have 3 people sign-up per hour, especially through the late-night hours from 10 pm to 6 am.

You can sign-up on the [hardcopy sheets in the lobby](#) or through [Eventbrite](#) at:

Dear People of God,

I attach these links not because they are the last word on the serious topics touched upon but to encourage you to turn to God in prayer and supplication by means of the daily Rosary, Eucharistic Adoration and through the Sacraments to implore His guidance and protection of the Church and for an outpouring of the Spirit of Repentance upon all of us before we bring down the justice of God upon our heads for considering Him to be irrelevant after He has given us His only Son for our salvation. So, in some areas, they are food for thought and further consideration amidst a very controlled media. We live for the most part amongst godless leaders and many non-believers who deny the true nature and dignity of the human person made by and for God and created in His image and likeness and the hard-won human rights acquired by experience over long centuries and expressed quite well in certain national constitutions. Human beings are not robots to be controlled and manipulated into a false political unity that denies the existence of truth, and the one true God of our Christian faith.
